

How to: Search by call number

First, click “Browse Books and Media”

TBR NorthEast affiliates [Sign in](#) to see additional results, services, and request options.

What is TBR Libraries NorthEast?

TBR Libraries NorthEast is a joint library discovery collaboration between [Northeast State Community College](#) and [East Tennessee State University](#). Students will be able to take advantage of physical materials both campuses offer.

What is OneSearch?

OneSearch finds items from Library Collections as well as many other electronic resources, including journal and newspaper articles, book chapters, books, reviews, legal documents, and much more.

Search Everything if you:

- Want a combination of books, articles, ebooks, etc. on a topic
- Are just starting your research

Library collections and more!

The Library Collections tab provides simple, catalog-based searching for books, journals, and media that are specific to a library or subject. Many items (e-books, e-journals, films, and audio) are available online.

- Use [ETSU Libraries](#) or [NeSCC Libraries](#) to limit your search to items and electronic resources owned by a particular campus
- Are you in a medical related discipline? Use the [ETSU Medical Collection](#) scope to easily find high-quality medical books, e-books, and journals
- Search thousands of ETSU theses and

Sign in to see it all:

- View loan policy and request items available locally or through interlibrary loan
- View and renew your current loans via [My Account](#)
- Save e-shelf lists and export citations
- View search results from restricted resources such as Web of Science and EBSCOhost

Electronic Resources

The [View Online](#) tab will provide access links from both campuses. Some e-resources may be restricted to ETSU or NeSCC only. Restrictions will be noted under each link. In order to access an e-resource off-campus, you will need to login to the proxy using your ETSU or NeSCC credentials.

Useful Tips:

Advanced Searching

- Select [Advanced Search](#) located beside the main search box to create complex search queries.

Find a specific journal

- Search Library Collections as above, and refine your results, using the lefthand menu, to Journals under the Material Type option.
- Browse e-journals by following the [e-Journals A-Z](#) link in the top right corner of the page.

Browse by author, title, or subject

- Use the [Browse Search](#) tool on the right side of the main search bar. Enter your search term and select from the drop-down menu.

What's your take?

Now choose “By Library of Congress call numbers” from the drop down provided.

Finally, enter the call number you wish to find in the provided search box and click “Browse”.

This should produce results showing the title with the call number entered, as well as surrounding titles.
